The One-Page Household Plan

Bonus asset from The 72-Hour Outage Plan: A room-by-room readiness kit for homeowners. Included with your order at no additional cost.

When to use it: Fill it in after module 16's drill, when the plan has been tested and the details are real rather than intended. Reprint it at every six-month review.

These are the words, not a description of them. Say or send them as they stand; the blanks in square brackets are the only thing you change.
